We are supplying FDY Flat Yarn, FDY Twisted Yarn and FDY Air Intermingled yarn.

Details:

- 600-4800 Denier
- Upto 250 TPM in Twisted yarn
- Upto 7 GPD Strength

PP Webbing & Narrow Woven Fabric

PP webbing is a type of woven fabric made from polypropylene (PP) fibers. It is a strong and durable material known for its high tensile strength and resistance to abrasion, making it ideal for various applications.

Bag Closing yarn

PP (Polypropylene) bag closing yarn is a specific type of bag closing thread made from polypropylene fibers. It is designed for use in bag-closing machines to securely stitch bags and sacks made from woven polypropylene fabric or other materials.
